Residential on 0.12 Acres

Inglewood, Calgary, Alberta

Situated in the heart of Inglewood, this 54' wide, R-CG zoned lot presents an exceptional opportunity for renovation, investment, or redevelopment. Whether you're seeking a charming starter home, an income-generating rental, or a redevelopment site, this property offers unparalleled potential.

Ideally positioned adjacent to Nellie Breen Park, with direct access to scenic neighborhood pathways, this location provides the best of inner-city living. Just half a block from the Bow River pathway system and two blocks from the vibrant shops, restaurants, and amenities of 9th Avenue, this is a rare chance to secure a prime spot in one of Calgary's most desirable communities.

This lovingly maintained bungalow features a welcoming family room with hardwood floors, a functional galley kitchen, two good sized bedrooms, and a renovated 4-piece bathroom with a jetted tub. The fully developed lower level includes a spacious recreation room, an upgraded 3-piece bathroom, ample storage, brand new hot water tank, and a separate rear entrance, presenting an excellent opportunity for a legal or illegal secondary suite.

The expansive backyard is designed for relaxation and entertaining, offering spacious deck, a hot tub, and privacy. The home has both newer siding and roof. With an oversized single garage, a double driveway, and ample

street parking, convenience is assured. The large lot size would allow for the single car garage to be replaced and develop a double detached garage with a mother-in-suite above.

For outdoor enthusiasts, the nearby pathway system provides endless opportunities for biking and exploring the city. Properties with this level of potential in Inglewood are a rare findâ€”donâ€™t miss this exceptional investment opportunity!
